### **Abstract:**

The study of institutional and policy change through the Institutional Analysis and Development (IAD) framework is still in its infancy. This panel aims to pursue the analytical development of the framework in new fields of application. We particularly welcome papers addressing the methodological needs of new contexts as well as the emerging opportunities and challenges for the ensemble of IAD tools.

To submit a proposal, you will need to create a MyECPR account and submit the following information by **16 February**:

- Your name, academic affiliation and email address
- The title of your paper
- An abstract of up to 500 words.
- 3 to 8 keywords
